

Shropshire Youth
Support Trust

Growing young businesses

The Shropshire Youth Support Trust (SYST) is a youth enterprise charity that provides young people aged 18-30, with the space and support they need to start a business.

Through our enterprise centre, in Telford we provide affordable premises for young entrepreneurs, business advice and guidance, helping them to create sustainable businesses.

SYST was born out of a common problem amongst young entrepreneurs ; they had a great idea but struggled moving forward because they could not find affordable space or support.
